Policy and Procedure On The Prevention And Resolution Of Harassment For All Members And Employees

Preamble:

Every member and employee of the Teacher/OT Bargaining Unit has the right to a workplace and union environment free from harassment and bullying, in which all are treated with respect and dignity. Harassment has a destructive effect on the workplace or union environment, individual well-being, and on union solidarity. Harassment will not be tolerated.

Harassment is any vexatious course of conduct or comment which is known or ought reasonably to be known to be unwelcome, which intimidates or threatens, humiliates, belittles, embarrasses or demeans another person. Harassment can take many forms and may be verbal, physical or psychological. They can involve a range of actions including comments, gestures or looks, pictures, messages, touching, or more aggressive actions. These acts may be overt or indirect; in person or by telecommunication; they may be isolated or repeated. Bullying is any form of harassment that involves a power imbalance, and may be repetitive. Sexual harassment is any unwanted attention of a sexual nature, including offensive or humiliating behaviour related to a person's sex, and behaviour of a sexual nature that creates an intimidating, hostile or "poisoned" work environment, or that could reasonably be thought to put sexual conditions on a person's job, employment opportunities or union involvement.

The Teacher/OT Bargaining Unit must have the goal to protect human rights, to promote mutual respect and trust, and to foster inclusion. We cannot condone or tolerate any harassing behaviour against an employee or another member. The Teacher/OT Bargaining Unit takes seriously its responsibility to ensure that every employee and member is treated with respect and dignity at all Teacher/OT Bargaining Unit sponsored events and gatherings, including workshops, meetings, conferences, business travel, off-site meetings or work- or union-related social gatherings.

This policy focuses on the prompt resolution of harassment complaints. Harassment needs to be addressed with sensitivity, discretion and in a timely manner. Any employee or member who feels targeted by harassment must be able to speak up and know their concerns will be addressed and action taken promptly, in accordance with Teacher/OT Bargaining Unit Policies and Bylaws, and the following Complaint and Resolution Procedure. This procedure is to be used by any employee or member who feels victimized by harassment in any form so that, where possible, complaints can be resolved internally.

Complaint and Resolution Procedure:

An employee who feels s/he has been the target of harassment in a Teacher/OT Bargaining Unit workplace, or a member who believes s/he has been the target of harassment at a Teacher/OT Bargaining Unit sponsored event or meeting is encouraged to take immediate action to ensure this behaviour is stopped.

As a first step, the employee or member should make it clear to the perpetrator that s/he finds the behaviour offensive, and ask that it be stopped. This can be done personally, either in writing or verbally, or with the assistance of a third party. The employee or member is encouraged to keep a personal, written record of all harassing behaviour.

If the behaviour recurs or persists, or if the employee or member does not feel safe in approaching the perpetrator directly, s/he should speak with the designated officer(s) and ask her/him to act. If no officer has been designated, the employee or member should speak with the Executive in charge to ask that one be appointed.

The designated officer(s) will investigate the complaint promptly, including separately interviewing the parties involved and any witnesses, with a view to resolving the problem informally. During this process, the designated officer(s), with the approval of the Executive Officer, may remove the respondent temporarily from the meeting if the circumstances warrant.

The investigation will be handled confidentially; however all complaints will be reported by the designated officer(s) to the Executive Officer.

The designated officer(s) may act as informal mediator(s) to help settle the complaint, if the parties agree, and either party has the right to refuse informal mediation. If the complaint cannot be resolved informally, the complainant will be asked to put the complaint and all relevant information in writing. If the complainant chooses to provide such a written complaint, it will be submitted to the Executive Officer for action and it shall be the joint responsibility of the Executive Officer and the Executive in charge to promptly conduct an investigation, determine whether, on a balance of probabilities, harassment did take place, and decide on appropriate remedial action. The parties involved will receive a written report stating the findings and any action taken.

Resolutions may include, but are not limited to, an apology, a written commitment to cease any and all offensive behaviour, mediation, warnings, temporarily limiting access,

or removal/exclusion from the meeting or event. If mediation is chosen, each person has the right to be accompanied and assisted during mediation session(s) by another person. The appointed mediator will not be involved in investigating the complaint, and will not be asked to represent the Teacher/OT Bargaining Unit at any stage of any proceedings related to the complaint.

The Teacher/OT Bargaining Unit Executive Officer shall keep and maintain accurate records related to all investigations of complaints that the Teacher/OT Bargaining Unit receives of workplace or union harassment and the disciplinary measures taken. Such records will be maintained in confidential and restricted files for a period of five years. If the respondent is an employee of the Teacher/OT Bargaining Unit, and if the investigation does not find evidence to support the complaint, there will be no documentation concerning the complaint placed in the file of the alleged harasser. If the respondent is an employee of the Teacher/OT Bargaining Unit, and if the investigation reveals harassment occurred, the incident and the discipline which is imposed on the harasser will be recorded in the personnel file.

A member or employee affected by a decision resulting from a complaint under the Teacher/OT Bargaining Unit's Anti-Harassment Policy and Procedure may appeal this decision by submitting a request in writing to the Teacher/OT Bargaining Unit President for an Appeal Hearing. The Teacher/OT Bargaining Unit President shall promptly appoint three members of the Teacher/OT Bargaining Unit Council to form an Appeal Committee to consider the appeal. The Appeal Committee shall meet without delay to consider the appeal, review the complaint, the investigation process and findings, and the decision. Following the review, the Appeal Committee shall either confirm or modify the decision. The decision of the Appeal Committee shall be consistent with the Teacher/OT Bargaining Unit Anti-Harassment Policy and Procedures. The Appeal Committee shall promptly report the decision of the Appeal to the Teacher/OT Bargaining Unit President, who will communicate the decision to the Appellant in writing forthwith. The Decision of the Appeal Committee shall be considered final and not subject to any appeal.

Any person who makes a complaint will be protected from reprisals. Anyone who retaliates in any way against a person who has been involved in a harassment complaint will be subject to the same penalties as a harasser.

In the event that a complaint is made in bad faith, that is deliberately and maliciously filed knowing it has no basis, the complainant will be subject to the same penalties as a harasser. The person unjustly accused of harassment will be given the benefit of any necessary remedies that would be given in a case of harassment.

None of the above restricts the employee's or member's right to file a complaint with the Ontario Human Rights Commission or make a complaint to the police. If a complaint is or has been dealt with through another avenue of recourse, the complaint process under this policy will not proceed further and the file will be closed.
