

# NO CUTS to EDUCATION

**1**

Wear Red for Ed on the first Thursday back to class. Take a selfie and use the tags *#NoCutsToEducation #RedforEd #D16OSSTF #OntEd #OnPoli*

**2**

Take a series of photos during the week that show what is missing at your work site: closed programs, reduced hours in the main office/ guidance/ library/computer lab, fewer extra-curricular offerings, cancelled classes, and loss of staff (compared to a staff photo from the previous year). Share on Facebook/Twitter/Instagram using *#D16OSSTF* and *#NoCutsToEducation*. (Do NOT include any pictures of students).

**3**

Take and share photos throughout the week of you holding your Here for Students or No Cuts to Education posters. Prove to the Conservative government that we ARE here and ready to work with students, despite claims that we are gearing up for job action.

**4**

**THURSDAY SOLIDARITY ACTION.** Take a group photo of all the staff with No Cuts to Education posters. Post to social media using the above tags.

**5**

**FRIDAY SOLIDARITY CELEBRATION.** Host a solidarity breakfast to thank your members for their efforts. Use this time to share messages from provincial and local offices.
